Purchasing Objectives & Policy

To support the district's ongoing operations while obtaining the best value for the district and the district's taxpayers.

Best achieved by promoting fair and open competition for the procurement of all goods and services.

It is the policy of the Alief Independent School District to continuously seek prospective vendors for bids/proposals for product and service categories as required by Section 44.033 of the Texas Education Code.

Alief ISD does not discriminate on the basis of sex, race, disability, color or national origin in its business practices.
